TUSHAR SETHI

EMAIL | +91-9953877639 | GITHUB **|** TUSHARSETHI.VERCEL.APP

EDUCATION

Bhagwan Parshuram Institute of Technology,Indraprastha University (DELHI) , India

Bachelor of Technology in Information technology   , CGPA: 8.4   2021-2025

Dav Public School

CBSE (Class XII) : 84.2 %   2020-2021

EXPERIENCE

Oodles Technologies | Frontend Developer Intern   *AUG' 23- OCT' 23*
- ➢ Developed user interface using React.js, Material UI, HTML, CSS, and JavaScript during internship.
- ➢ Collaborated with back-end developers to seamlessly integrate user interfaces and Effectively troubleshoot and resolve technical issues.

PROJECTS

1. SPRINGBOOT PROJECT| *Java, SpringBoot*

https://github.com/tusharsethi747/SpringBoot-First-Project
- ➢ Developed a Spring Boot application featuring a RESTful API with full CRUD operations.
- ➢ The project utilized H2 in-memory database and Spring Data JPA for data handling,
- ➢ Employed Model Mapper for efficient DTO-to-entity mapping.
- ➢ Followed best practices by implementing a layered architecture, separating concerns into controllers, services, repositories, entities, and DTOs, ensuring maintainability and scalability

2. PAGE CRAFT: TEXT EDITOR PLATFORM | *Reactjs, Nodejs , Mongodb, Socket.io, Quill library,Firebase, Material UI*

https://page-craft-project.vercel.app
- ➢ Engineered a dynamic real-time document editing platform, leveraging the power of Socket.IO for instantaneous updates , synchronization of changes across multiple tabs.
- ➢ Incorporated the Quill text editor library for rich text formatting features like bold, italic, font selection, adding images and color customization

3. CHROME EXTENSION | *Javascript, Chrome Extension API , DOM Manipulation*

Youtube Bookmarks - Microsoft Edge Addons
- ➢ Developed and implemented a Chrome extension facilitating timestamp bookmarking on YouTube videos, enabling users to add notes for each timestamp.
- ➢ This extension allows for seamless video playback from bookmarks and provides efficient management options, including the ability to delete bookmarks.

TECHNICAL SKILLS

- ➢ **Languages**: C/C++, Java JavaScript.
- ➢ **Frameworks**: SpringBoot,JPA ,React, Node.js, Material-UI, Express.js, Socket.io.
- ➢ **Databases**: SQL , MongoDB.
- ➢ **CSS Frameworks**:Tailwind CSS.
- ➢ **Developer Tools**: ChromeDevTools, Firebase

CODING PROFILES

- ➢ **LeetCode**: https://leetcode.com/u/Tushar_sethi/
